Name your site:
Site location - URLs can only use the following characters: A-Z,a-z,0-9
https://sites.google.com/site/
This will be your site's web address

You should see your site appear.

You can find it through the address, or by going to Google like you did in the first step and clicking on sites.

To edit your site, you must first click on the edit icon at the top of the page.
